## How VPI Works

**Step 1** Pay for your pet's treatment at the time of service.

**Step 2** Fax or mail our easy-to-use claim form along with your receipts.

**Step 3** After meeting your policy's annual deductible, you are reimbursed according to your plan's benefit schedule.†

Our one-page claim form makes filing claims easy and you can track your claims online through our VPI Policyholder Portal.

† VPI benefit schedules identify the amount that is available for exam fees, diagnostics, medications, surgeries and other treatments. The benefit schedule is also available online at [petsinsurance.com](http://petsinsurance.com).
